

The Italian Presidency of the Council of the European Union

Under the patronage of the Vice Presidents of the European Parliament

Hon. Antonio Tajani e Hon. David Sassoli

In collaboration with AVSI Foundation

Workshop on "Nourishing people, feeding hope: from commitment to action".

Venue: European Parliament, rue Wiertz, Altiero Spinelli

Room: Sala ASP 3G3

Date: 11 December 2014

Nutrition is one of the key priorities of the Italian Presidency in EU development policy during the semester July-December 2014. Nutrition is as well the theme of the next EXPO 2015 to be held in Milan (Italy) from May to October 2015. 2015 will be also the European Year of Development.

The objective of the workshop is to distill few key policy and operational messages stemming from field experience of selected Italian and European NGOs keeping in mind the current discussion on the sustainable development post-2015 agenda, the FAO-WHO international conference on nutrition held in Rome on 16-21 November and the "Nutrition Action Plan" of the European Commission.
